

Highlights of Directors' Meeting ~ April 25th 2012

1) Kinsmen Beach

- The shoreline restoration project is now underway on Kinsmen Beach. Volunteers will soon be invited to help out with soil amendment, planting and watering.

2) Communication

- The Communications Committee met with Terri Adair of the Timber Ridge Community Association to discuss strategies for communicating with seasonal residents.

3) Columbia Basin Watershed Network (CBWN) Conference

- Registration is now available for this conference, “Science Matters: How Water Science Influences Decision Making”, to be held May 10-11 in Kimberley, BC.

4) Watershed Governance

- The Cowichan Basin Watershed Board has agreed to provide a webinar for the Lake Windermere Ambassadors about their experiences working towards local, collaborative watershed management.
- LWA Board members were invited to meet with Oliver Brandes (Polis Project on Ecological Governance) and Bob Sanford (EPCOR Chair of the Canadian Partnership Initiative in support of United Nations “Water for Life” Decade) to discuss locally important water issues.

5) Shoreline Habitat Inventory Mapping

- Heather gave a presentation to the rest of the Board on the history of the Shoreline Habitat Inventory Mapping (SHIM) and how it fed into the Lake Management planning process.
