

Highlights of Board Meeting ~ May 23rd 2012

1) Kinsmen Beach

- The shoreline restoration project on Kinsmen Beach is nearly complete! Volunteers are still needed to help water plants throughout the summer.

2) Lake Management Committee

- The Lake Management Committee (non-government members of LWA Board) discussed a referral from Natural Resource Operations regarding purchase of Crown foreshore land adjacent to private property.
- The LMC was thankful for the opportunity to review the referral, however, the Board chose not to comment on this proposal.

3) Green Boating Guide

- Green Boating Guides are now available! Heads of Community Associations, marinas, and other interested parties are invited to come to the Lake Office and pick up the guides.

4) Charitable Receipts

- Pending charitable status, charitable donation checks intended for the Ambassadors should be made payable to the District of Invermere, and “in care of the Lake Windermere Ambassadors” should be written on the memo line. The District of Invermere will then issue a charitable receipt.

5) Lake Management Plan

- Kirsten presented a PowerPoint titled “Lake Management 101”. The Board discussed the plan and how to best explain the plan when talking with others in the community.
