

LWMP Implementation

Planning Process

STAGE 1: DEVELOPMENT OF NEW REGULATIONS

Summer
2011

Open House #1—Windermere
Presentation of background information & potential approaches

Fall
2011

Open House #2—District of Invermere (mid-September)
Presentation of background information & potential approaches

Winter
2012

Drafting of the proposed regulations for the District of Invermere (DOI) and Regional District of East Kootenay (RDEK)

Spring
2012

Consultation on the draft regulations under consideration

Summer
2012

Presentation and finalization of any new regulations

STAGE 2: BYLAW PROCESS

Fall
2012

Amendment to the DOI and RDEK Official Community Plans (OCPs) and Zoning Bylaws to reflect any new regulations

COMMUNITY CONSULTATION

Community input is key to the success of this process. Here are a few ways to contribute:

Today

- 1 Talk to the RDEK and DOI elected officials and staff present at the Open House.
- 2 Pick up and complete a comment form.
- 3 Provide comments on the sticky notes provided.

Future

Follow the progress on the DOI and RDEK websites:

- 1 www.rdek.bc.ca
www.invermere.net
- 2 Participate in future Open Houses.
- 3 Write to the RDEK or DOI to outline your concerns or aspirations about the project.
- 4 Get on our email list for quarterly progress reports.
- 5 Engage a member of the Lake Management Committee.
- 6 Become a member of the Lake Windermere Ambassadors.

Today's Open House is the first opportunity for your participation in the process. We welcome your feedback on any aspect of the planning process.

Open House August 2011
