Water Stewardship Assistant

Deadline to apply: March 31, 2020

Term: May to August 2020

Compensation: \$15/hour, 30-35 hours a week

Location: Columbia Valley, BC

We are looking for a passionate water steward and community leader to join our organization. Please read the full job description below, and follow the instructions at the bottom of the page for how to apply.

Thank you for your interest in working with the Lake Windermere Ambassadors!

Organization Background:

The Lake Windermere Ambassadors are a community-based environmental stewardship NGO working in the East Kootenay region of BC. The Ambassadors have a vision of an ecologically healthy Lake Windermere with balanced management approaches that support recreation and traditional uses, high fish and wildlife values, and economic prosperity in the region.

A Board of Directors representing a diversity of stakeholders in the Lake Windermere watershed guides the organization. The Lake Windermere Ambassadors are currently leading lake water quality monitoring and conducting water-related education and stewardship programs. They also encourage the implementation of policies & guidelines in the Lake Windermere Management Plan in their appointed role as Lake Management Committee. The Ambassadors have received accolades for their collaborative initiatives and are being used as a model for community-based water stewardship by Living Lakes International, Living Lakes Network Canada, and Friends of Kootenay Lake.

The Water Stewardship Assistant will be an outgoing, adventurous youth (16 to 30) who is passionate about the environment and is looking forward to a summer spent working outdoors. Their main roles are to provide support to our water quality and quantity monitoring program and offer public stewardship education about Lake Windermere and the Columbia River Basin.

The ideal candidate will enjoy working within the community and will have a strong interest in water resources and the environment.

Duties and Responsibilities:

- Assist with collection of water quality and quantity data from the lake and tributary streams
- Assist with the care and calibration of scientific instruments
- Assist in identify key fish and bird species (when applicable)
- Assist in giving watershed stewardship tours via canoe or kayak
- Write weekly sampling report for the local newspaper
- Interact with the public, especially visitors and youth
- Assist with planning and hosting half day summer camps
- Create content for, and regularly update all of, our organization's social media channels including Facebook, Instagram, and Twitter.
- Assist with general office duties such as filing and data entry.

The Water Stewardship Assistant will report to the Program Coordinator, who is also available to provide training and mentorship to the student. The student will work approximately 5 days a week (Tuesday - Saturday), for a total of 30-35 hours a week. Anticipated employment is from May to August, with some flexibility to start and end dates. The final schedule can be worked out with the right candidate.

Required Skills and Qualifications:

- Attention to detail
- Being reliable and on time
- Strong communication skills (oral & written)
- A passion for science and the environment
- A willingness to work outdoors in all weather conditions
- Use of a printer, email, phone, and word processing/spreadsheet programs
- A class 5 or class 7(N) drivers license and occasional access to a personal vehicle
- Ability to lift up to 40 lbs
- Must be between 16-30 years old
- Must be willing to live in or near Invermere, BC for the duration of the employment period
- Must be a Canadian citizen and legally able to work in Canada.

Additional Desired Qualifications:

- Pleasure Craft Operator Card (BoatSmart or similar)
- First Aid training
- Past experience with water sampling or field data collection
- Ability to identify freshwater fish species such as salmon, trout, and bass and/or to identify waterfowl and other bird species
- Ability to swim
- Ability to use a 10hp outboard motor and/or to navigate a paddleboard, canoe, or kayak
- Confidence in public speaking and interacting with the public

TO APPLY: Please submit a brief cover letter describing how you meet the above qualifications and your CV or resume, AS ONE FILE, electronically (.docx or .pdf only) to:
